

From Our In-Store Sub Shoppe

Submarines, grinders, subs, hoagies; whatever you want to call them everyone can agree that they are IRRESISTIBLE! When most people think of a fund raiser, the first idea to come to mind is the traditional hoagie sale. Well, we have added our own spin to this tradition to make your fund raiser easier.

With our Sub Shoppe fund raising coupon, your group can earn the same amount of money as a traditional sale but without the hassle of delivering the subs themselves. Each coupon can be redeemed for one of four varieties of our freshly made subs.

The program is simple. Your group purchases the coupons from us for \$3.00 each, the minimum order is 50. Group members then sell the coupons at whatever price you want. We recommend \$5.00 each. After your customers purchase the coupons, they may redeem them at one of our Sub Shoppe locations (listed below) or warehouse markets. No order forms, no deliveries! You sell the coupons and we will do the rest. Now that's easy money!

1% Save-A-Tape Program

Redner's is committed to the communities that it is a part of, and wants to help out the non-profit organizations whose members shop in our stores. In this interest, Redner's developed our 1% Save-A-Tape program.

Here's how it works:

Your group must be a charitable or non-profit organization. Each member must stop at the store office or Customer Service area to get a 1% Save-A-Tape card.

By using this card each time you purchase merchandise at Redner's Warehouse Markets and Quick Shoppes, your receipt will be designated (excluding quick shoppe receipts) as a 1% Save-A-Tape customer receipt. To expedite your 1% payment, we ask that you total all the 1% Save-A-Tape totals on your receipts. When you have accumulated enough tapes to receive a meaningful rebate (at least a \$50 rebate) please arrange them in an orderly fashion and give them to the manager on duty. Please be sure to include verification of your totals and the entire register/sales receipts. (Example: calculator tape, computer print out, hand written summary etc.) They will then be verified and within eight weeks you will receive a check for 1% of the total amount of the tapes submitted. (Excluding items controlled by the government such as tax, milk and tobacco products) Laws prohibit discounting tax, milk or tobacco products.

An Example of what you can do:

Let's say your group has 50 families with an average of \$75.99 per week in supermarket expenditures. If it was all spent at Redner's Warehouse Markets, and you saved tapes for a year, you would receive a check for \$1,950.00.

There is no time limit for participation and no dollar limit to the amount of money you can earn. Start saving tapes today and you'll soon be receiving the benefits of this simple, profitable program. Forms are available at the stores when submitting tapes for redemption.
